

SUMMER BY THE SEA

Bug Blitz @ Nungurner Jetty – Surveying invertebrates in the shallows with your family– Handy Links

- INaturalist for the upload to Citizen Science photos
<https://www.inaturalist.org/>

- [Native Vegetation Information](#)

The removal of native vegetation from public and private land may need a planning permit. Before removing or using native vegetation, check with your local council to find out if a permit is required or if the activity is exempt. More information about the removal of native vegetation and the taking of protected flora is available at:

<https://www.environment.vic.gov.au/native-vegetation/native-vegetation>
