

Wadawurrung Cultural Heritage Protection at Point Impossible

Wadawurrung people
have looked after and
cared for the land for
over 1000 generations

Wadawurrung people are the Traditional Owners of the land that encompasses the area from the Great Dividing Range in the North to the coast in the South, from the Werribee River in the East and to Aireys Inlet in the West, which includes Geelong and Ballarat.

Our family have looked after and cared for the land for over a thousand generations, and are still caring for it to this very day.

This is achieved by having our organisation, Wathaurung Aboriginal Corporation (WAC), trading as Wadawurrung, representing Traditional Owner interests at all levels of government and community.

As a Traditional Owner group, WAC also perform ceremonial duties such as a Welcome to Country and Smoking Ceremonies for community groups, corporations, events and special occasions where cultural protocols are valued and practiced.

Our aim is to educate and help as many people as possible to protect and share the respect that we hold for our country.

SHOREBIRD PROTECTION ZONE
